

## Call For Papers

Light Green Machine Institute

Annual Conference

Dates: 15 - 16 January 2011

Timing: 1pm - 6pm, Jan 15

6 - 7:30pm social on Jan 15

7:30am - 1pm, Jan 16

Where: Atlanta, Georgia USA

Venue: Atlanta Airport Hilton

### Discussion:

This will be the second annual conference of the Light Green Machine Institute. Papers are being sought on concepts and developments that demonstrably indicate alignment with the Institute's goal of reducing the weight of installed paper machines, within each grade by 50% by the year 2025. Suppliers and mills are encouraged to submit papers.

### Schedule:

Abstracts should be submitted no later than 15 September 2010.

Notification of accepted abstracts will be by 15 October 2010.

Final Papers are to be submitted by 1 December 2010.

Powerpoint guidelines will be provided to submittals accepted with notification of acceptance.

### Background:

The first annual conference, held 1 May 2010 in Atlanta, Georgia, was received well by the attendees. It is expected this second conference will be an excellent opportunity for innovators to display their ideas to interested executives, mills and researchers.

Contacts: Send all abstracts and questions to Jim Thompson at [jthompson@taii.com](mailto:jthompson@taii.com) with "LGM 2011 Conference" in the Subject Line.
